Graphic Designer · Visual Artist · Motion · Illustration

tasakib69@gmail.com (+880) 01538863209 tanzeemsakib.github.io behance.net/tanzeemsakib

## PROFESSIONAL SUMMARY

Graphic designer and visual artist with hands-on experience in brand identity, social media design, motion graphics, illustration, and UI. Currently working in an in-house branding team at a global IT company. Strong portfolio spanning commissioned client work, editorial illustration, and brand identity systems. Deeply passionate about visual storytelling, design craft, and creative problem solving.

## EXPERIENCE

**Intern — Graphic Design** | BJIT Group May 2026 – Present

*Branding–IR–PR Team · Dhaka, Bangladesh*

- Working within the Branding-IR-PR team on visual assets, brand identity, and graphic design for internal and external communications at a global IT company serving clients across Europe and Asia.
- Creating social media graphics, presentation materials, and branded collateral aligned with corporate visual identity standards.

**Design Associate (Project-Based)** | Shundor Studio Oct 2025 – Present

*Branding, marketing and strategy agency startup · Dhaka, Bangladesh*

- Designed motion graphics and visual assets for Archive & Resist Conclave 2026 at BRAC University, in collaboration with Activate Rights — responsible for social media content across platforms.
- Currently editing social media video content for Fahim Explains, an educational platform, managing brand consistency across channels.

**Co-Founder & General Member** | Applied Mathematics Programming Society (AMPS) Nov 2022 – Dec 2023

*University of Dhaka · Dhaka, Bangladesh*

- Co-founded AMPS and led all visual design and social media — including the Friday Bytes editorial illustration series combining typography and character illustration.
- Coordinated weekly sessions, managed projects, and liaised with faculty.

## EDUCATION

**BSc Applied Mathematics (Attended)** | University of Dhaka 2020 – 2025

**Higher Secondary Certificate** | Dhaka Residential Model College Apr 2017 – May 2019

**Secondary School Certificate** | Dhaka Residential Model College Jan 2015 – Feb 2017

## SELECTED PROJECTS

**Birds Under Artificial Skies — Research Poster · IYC 2026, April 25**

- Co-authored research poster presented at the 6th International Young Biotechnologist Congress 2026 (NYBB / NIB / BGI China). Research analysed bird behavioral responses to artificial light in Bangladesh using machine learning.

**Wavelet Transforms in Digital Image Processing**

- Independent research under Dr. Md. Rakib Hossain — implemented Fast Wavelet Transform for 1D/2D signal decomposition and wavelet-based edge detection using modified DWT algorithms.

## SKILLS

**Design & Motion:** Adobe Illustrator, Photoshop, After Effects, Premiere Pro, Figma, Blender
**Disciplines:** Brand Identity, Graphic Design, Motion Design, Illustration, Social Media, UI/UX, Packaging
**Currently Learning:** Google UX Design Certificate (Courses 1 & 2 completed — Coursera)
**Technical:** Git, HTML, CSS, Wolfram Mathematica, MATLAB, C/C++, LaTeX, Godot, Microsoft Office

## GAME DEVELOPMENT

**Solo Developer — Game Jam Participant** | itch.io 2022 – Present

- Developed and released multiple playable games for competitive jams — handling design, programming, pixel art, animation, and sound end-to-end. tanzeem-ahmed-sakib.itch.io

## CERTIFICATIONS

**Google UX Design Certificate — Courses 1 & 2** Coursera · 2026

- Foundations of UX Design · Start the UX Design Process — covering empathy, user research, design thinking, wireframing, low-fidelity prototypes, and the end-to-end product design lifecycle.
